Do a lot more, a lot more efficiently

Running a business typically means you're doing more than one thing at a time. It also means you can't afford to let critical functions slip through the cracks. With Clover Station, that's one less worry you'll have. It's a complete business management system that helps everything stay on track, so you can focus on the fun stuff.

Clover Station is intuitive and easy to use. Right out of the box, you'll be able to:

- Accept more types of payments from magnetic stripe and EMV$^{®}$ credit and debit cards to Apple Pay™ without additional equipment or complicated software

- Protect your customers, business and reputation from fraud with built-in Clover Security

- Configured out of the box to interface with the Ohio Liquor Enterprise for sales submission and pricing updates

- Concierge service and technical support will be covered by the Ohio Liquor Enterprise for two years

- Manage returns, inventory and even employees with advanced software and unique apps designed to help you customize your system

Clover Station runs on cloud-based software so you can access your business information wherever you are, from a computer, tablet or mobile phone. And, as you grow, you can enhance and customize your system with apps from the fast-growing Clover App Market.

The Ohio Liquor Enterprise has negotiated a **custom merchant service program,** which includes reduced fees, for Contract Liquor Agencies. To learn more about this custom program, email emily.ebright@firstdata.com.
